Sir:

Request for Correction to the Drawings Under 37 CFR 1.123

The following changes to the enclosed figures from the above-identified patent application, as highlighted in red and described below, are hereby respectfully requested. In accordance with 35 U.S.C. 132 and 37 C.F.R. 1.118, care has been exercised to avoid introduction of anything which could be construed to be new matter.

In Figures 2:

As requested and shown, please accept the attached replacement figures showing in greater detail the illumination means housed within the shaft.

Respectfully submitted,

John D. Gugliotta, P.E., Esq.
